

# HOTELS BY DAY

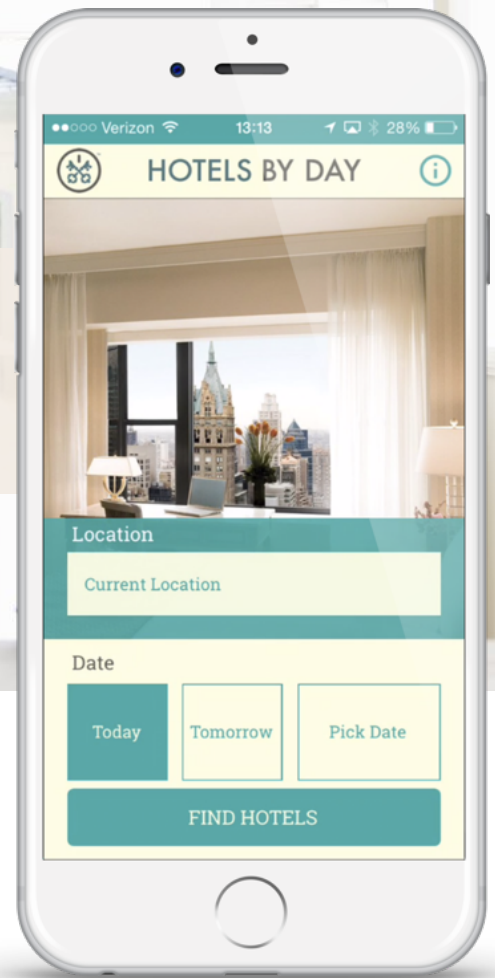

## REVOLUTIONARY MOBILE FIRST SALES CHANNEL

## INSTANT MOBILE ACCESS

The world is mobile and business travelers want instant access to hotel rooms - on their schedule. We provide our customers with fast, flexible, on-demand intra-day stays through mobile and online channels.

- Capture last minute and advance customers
- Ultra-fast, five second booking path
- Hyper-local and geo-located

## SELL INVENTORY: ANYWHERE

The first sharing economy solution for hotels - we sell your unused intra-day inventory to business and leisure travelers with patent-pending technology.

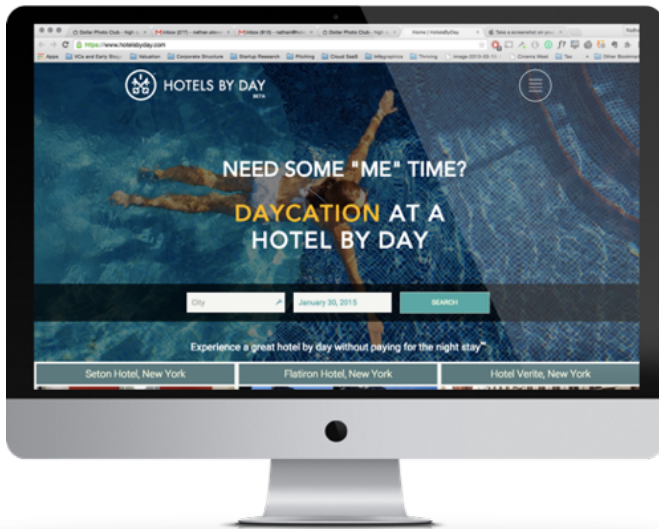

- Add 15% to your Revenues
- Increase RevPAR and ADR
- Sophisticated extranet available on any device, anywhere

# BIG MARKETING: YOU WIN

We spend big to target premium mobile customers to bring you demand:

- PR that launched Kayak, Orbitz, Jetsetter & RouteHappy
- Adlift - leaders in SEM/SEO in Silicon Valley (AT&T, Verizon)
- High-end copywriters - written for Forbes, F@st Company, NYT

## HOW IT WORKS

- Sign up for no commitment, month-to month agreement
- Select your time plans, rates and inventory
- Customers make a booking on our iOS, Android apps or at Hotelsbyday.com
- Hotel & customer receives confirmation email
- Check-in customer as usual
- You receive full payment at check-in
- All bookings are credit card guaranteed
- No-shows covered by HotelsByDay
